WHY CHOOSE POSTGRADUATE PROGRAM OF NKSE

With academic capacity and vitality of School of Economics, we have achieved series successful international education programs and cooperation projects in the following:

NANKAI-GLASGOW PROJECT

The Joint Graduate School of Nankai University-Glasgow University was established in 2014 and began recruiting full-time graduate students in 2015. All courses were taught in English for a period of two years. Students who pass these course exams can receive a Master's degree certificate and a postgraduate diploma from Nankai University, the University of Glasgow.

DEDICATION TO PUBLIC INTERESTS,
ACQUISITION OF ALL-ROUND CAPABILITY,
ASPIRATION FOR PROGRESS WITH EACH PASSING DAY

NANKAI-BIRMINGHAM UNIVERSITY PROJECT

After a year of study at the University of Birmingham, he received a Master's degree certificate from the University of Birmingham. Afterwards, the students returned to Nankai University to continue their postgraduate course study, pursue the remaining credits, pass the graduation thesis required by Nankai University and its defense, and obtain a master's degree and diploma.

NANKAI ALBERTA 3 + 1 + 1 PROJECT

The School of Economics signed a "Nankai Alberta 3 + 1 + 1" undergraduate course agreement with the University of Alberta in 2014. After completing 3 years of undergraduate studies at Nankai University, applicants can study as visiting students in the fourth year at the University of Alberta.

On the whole, a postgraduate degree on international business gained from the outstanding and global-oriented Nankai University in China will provide you prosperous and exciting career either in your own country or across China.
